*For more details on each masterclass and mentor, please visit www.epiphanyproductions.com.au
Please note: No piano accompanist will be available at the afternoon sessions.*

We always endeavour to allocate you your first preferred masterclass choice, but please bear in mind that registrations are based on a first come, first served basis, so availability will be dependent on how many participants have already registered in each masterclass. If places are already full for your first preferred masterclass, we will then assign you to your next preferred choice.

Given the numbers and growing popularity of the program, each participant, act or group will be confirmed for one masterclass only but, if there are still spaces available nearer to the date of your second or third preference, you will be contacted and offered an additional masterclass.

Unless you are in a Group Masterclass, please prepare two items to receive feedback from your mentor. You will get to perform either one or both items depending on the time available on the day.

All participants are more than welcome to sit in and attend any of the masterclasses as an audience member for enhanced learning opportunities.

All participants must be aged 55 years or older to participate in the Seniors Cabaret program.

Please confirm your preferred masterclass in order of preference below.

Venue:		Date:	
Venue:		Date:	
Venue:		Date:	

We will be taking video and photographic footage at the masterclass and showcase performances. The footage will be used for archival purposes, social media and possibly to be displayed at the final Gala concert. Upon request, you are more than welcome to receive this footage and if you do not wish to have footage taken of yourself, please inform the producer Chris Fennessy, prior to or on the day of your participation.

After the masterclasses have ended, some participants will then be invited to perform in a showcase concert during September. Ideally, we would like to give everyone the opportunity to perform in a showcase concert but unfortunately, due to the time restraints of each concert and the spaces available, not every participant or group that participates in a masterclass will be offered a showcase performance.

We will be adhering to the current Queensland State Government Covid-19 guidelines at each event and if you are feeling unwell on the day, please stay at home.

Please sign below confirming that you are wanting to participate in the program and that you agree to the details listed above. We will get back in contact with you to confirm your masterclass date and venue.
