For more details and a description on each masterclass and mentor, please visit the Epiphany Productions [website](#). A brief description on four of the sessions are below.

**No piano accompanist will be available at this session.*

Wednesday 23 July at Sunpac from 10am to 1pm is a Group 'Song & Dance' masterclass, where all participants will learn a dance routine together. Beginners to experienced dancers.

Wednesday 23 July at Sunpac from 1.30pm to 3.30pm is only for rehearsed dance/movement items.

Thursday 31 July is for rehearsed choirs or vocal groups only.

Thursday 7 August is for rehearsed ukelele or guitar (with or without vocal) items only.

Apart from the group 'Song & Dance' masterclass on July 23rd, all participants should prepare an item beforehand and will then perform that item at your masterclass and receive one-on-one feedback from your mentor.

The masterclasses are very relaxed and inviting and you'll get to enjoy the company of likeminded people.

We always endeavour to allocate you your first preferred masterclass choice, but please bear in mind that registrations are based on a first come, first served basis, so availability will be dependent on how many participants have already registered in each masterclass. If places are already full for your first preferred masterclass, we will then assign you to your next preferred choice.

Given the numbers and growing popularity of the program, each participant, act or group will be confirmed for one masterclass only but, if there are still spaces available nearer to the date of your second or third preference, you will be contacted and offered an additional masterclass.

Unless you are in a Group Masterclass, please prepare two items to receive feedback from your mentor. You will get to perform either one or both items depending on the time available on the day.

All participants are more than welcome to sit in and attend any of the masterclasses as an audience member for further learning opportunities.

All participants must be aged 55 years or older to participate in the Seniors Cabaret program.

Please confirm your preferred masterclass in order of preference below.

At times, we will be taking video and photographic footage at the masterclass and showcase performances. The footage will be used for archival purposes, social media and possibly to be shown at the final Gala concert and for future promotion of the program.

If you do not wish to have footage taken of yourself, please inform the producer Chris Fennessy, prior to or on the day of your participation.

After the masterclasses have ended in Mid-August, some participants will be invited to perform in a showcase concert during September. Ideally, we would love to give everyone the opportunity to perform in a showcase concert but unfortunately, due to the time restraints of each concert and the spaces available, not every participant or group that participates in a masterclass will be offered a showcase performance.

Please sign below confirming your participation in the program and that you agree to the details listed above and we will get back in contact with you asap to confirm your masterclass date and venue.
